## EMERGENCY MANAGEMENT

|                   |  |
|-------------------|--|
| <b>FIRST AID:</b> | <b>Swallowed:</b> If swallowed do NOT induce vomiting. For advice, contact the National Poisons Centre on 0800 POISON (0800 7647) doctor immediately.  |
|                   | <b>Eyes:</b> If product or spray enters eyes, wash out immediately and continue rinsing with clean water for at least 15 minutes. Obtain medical attention.  |
|                   | <b>Skin:</b> After contact with skin or hair, wash immediately with soap and water.  |
|                   | <b>Inhaled:</b> Remove to fresh air.   |
| <b>FIRE:</b>      | Do not use or store near open flame. In case of fire extinguish with dry chemical powder, water spray, fog or foam.  |
| <b>SPILLAGE:</b>  | Wear appropriate protective clothing and prevent material from entering waterways. Absorb spills with inert material and place in waste containers. Wash area with water and absorb with further inert material. Dispose of waste safely (such as to a suitable landfill).     |
| <b>DISPOSAL:</b>  | Triple rinse empty container and add rinsate to spray tank. Burn in an appropriate incinerator, if circumstances such as wind direction permit. Otherwise crush and bury in a suitable landfill. Avoid contamination of any water supply with the chemical or empty container. |

**IN CASES OF MEDICAL EMERGENCY CONTACT:**  
NATIONAL POISONS CENTRE – PH: 0800 764 766
